

AI+ Prompt Engineer: Level 1

Category: AI/ML | **Vendor:** AI Certs

Duration: 8.00 hours (1 days)

6.5 CPD Hours

Rating: ★ 4.6 (5,878 reviews)

Course Information

Language:	English
Delivery Format:	Instructor Led - Online
Certification:	AI+ Prompt Engineer: Level 1
Related Exam:	AI+ Prompt Engineer: Level 1

Course Overview

Master the art of crafting effective prompts with our AI+ Prompt Engineer: Level 1 Training. This 1-day certification course is designed to teach you advanced strategies to optimize model outputs and develop innovative AI solutions. Get hands-on learning that sharpens your skills in generating and refining prompts that guide AI models to produce desired outcomes effectively.

From the fundamentals of prompt engineering, including best practices for prompt design, to more sophisticated methods like zero-shot and few-shot prompting, this course covers a wide range of topics. Understand the ethical considerations in prompt engineering, ensuring that the AI solutions you develop are aligned with ethical standards.

With their extensive technical knowledge and practical teaching experience, our top-notch trainers will provide you with guidance through projects that simulate situations from the real world. By the end of this course, you will have the skills to handle complex prompt engineering tasks and the confidence to lead AI initiatives within your organization.
