Course Overview

The benefits of effective change management are considerable, both for organizations and the people in them. The costs of poor change management are equally compelling. The Change Management Certification has been developed by APMG in partnership with the Change Management Institute (CMI), an independent, global professional association of change managers. Together they have developed a professional [®]body of knowledge[®] for the discipline of change management which provides an independent benchmark for the professional knowledge expected of an effective change manager. This course will earn you 21 PDUs | 21 CDUs

About This Course

The benefits of effective change management are considerable, both for organizations and the people in them. The costs of poor change management are equally compelling. The Change Management Certification has been developed by APMG in partnership with the Change Management Institute (CMI), an independent, global professional association of change managers. Together they have developed a professional [®]body of knowledge[®] for the discipline of change management which provides an independent benchmark for the professional knowledge expected of an effective change manager. This course will earn you 21 PDUs | 21 CDUs

Who Should Attend

This certification is for anyone who supports the people impacted by change initiatives and who require a working knowledge of the key principles of change management, the terminology used, and the theory behind the practice. It is a prerequisite for the Change Management Practitioner qualification.

Prerequisites & Entry Requirements

General Prerequisites:

There is no prerequisite to attending this foundation course, although it is recommended that candidates should have a good understanding of business practices.

Additional Course Details

Nexus Humans, Change Management Foundation Certification Prep (APMG) training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the ITS Data Analytics course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.
