

Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2

Duration: 16.00 hours (2 days)

13.0 CPD Hours

Rating: ★ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

The Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 course provides an analysis of the cybersecurity landscape with an emphasis on the importance of an integrated threat defense architecture. Through a combination of lessons and hands-on practice, you will learn to deploy and integrate Cisco®'s Integrated Threat Defense solutions which include: Cisco Identity Services Engine (ISE), Cisco Stealthwatch, Cisco Firepower NGFW, and Cisco AMP for Endpoints. This course provides you with the knowledge and skills to implement and integrate solution components with existing network services, integrate solution components with the pxGrid (Platform Exchange Grid) framework, integrate network and endpoint-based malware protection, and observation of security dataflow after the introduction of malware.

About This Course

The Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 course provides an analysis of the cybersecurity landscape with an emphasis on the importance of an integrated threat defense architecture. Through a combination of lessons and hands-on practice, you will learn to deploy and integrate Cisco®'s Integrated Threat Defense solutions which include: Cisco Identity Services Engine (ISE), Cisco Stealthwatch, Cisco Firepower NGFW, and Cisco AMP for Endpoints. This course provides you with the knowledge and skills to implement and integrate solution components with existing network services, integrate solution components with the pxGrid (Platform Exchange Grid) framework, integrate network and endpoint-based malware protection, and observation of security dataflow after the introduction of malware.

Who Should Attend

This course is designed for technical professionals who need to know how to deploy a Cisco Integrated Threat Defense solution in their network environment.

Cisco integrators and partners

Systems and network engineers

Technical architects

Technical support personnel

Learning Outcomes

Upon successful completion of this course, participants will be able to:

After taking this course, you should be able to:

Understand the network security landscape and the Cisco Integrated Threat Defense (ITD) solutions

Describe the key components of the ITD solution and their use in the network

Configure the Cisco Identity Services Engine (ISE) for a baseline of operation in the ITD solution

Configure the integration between the Cisco Stealthwatch® and Cisco ISE platforms

Configure the integration between the Cisco Firepower® and ISE platforms

Configure the integration between Cisco Firepower and Cisco Advanced Malware Protection (AMP) for Endpoints

Additional Course Details

Nexus Humans Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.

Frequently Asked Questions

Q: What delivery options are available for Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
 - Traditional Instructor-Led Classroom Training (ILT)
 - On-site delivery at your offices anywhere in United Kingdom
 - Private dedicated courses customized for your team
-

Q: How many CPD hours does this course provide?

The 2-day Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 course provides up to 13.0 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 training?

The training takes place over 2 day(s), with each day lasting approximately 16.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2?

Yes, we provide corporate training, dedicated training, and closed classes for Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: Why choose Nexus Human for Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPALS** when booking your Cisco Implementing an Integrated Threat Defense Solution (SECUR201) v1.2 training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
