Wireless Design Engineer

Network Manager

Channel SEs

Sales Engineer

Channel AMs

Account Manager

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Upon completing this course, students will be able to meet these objectives:

Understand the overall architecture of the Cisco security solutions and how APIs help enable security

Understand how to use Cisco Firepower APIs

Understand how pxGrid APIs function and their benefits

Understand what capabilities the Cisco Stealthwatch APIs offer and construct API requests to them for configuration changes and auditing purposes

Understand the features and benefits of using Cisco Stealthwatch Cloud APIs

Learn how to use the Cisco Umbrella Investigate API

Understand the Functionality provided by Cisco AMP and its APIs

Learn how to use Cisco Threat Grid APIs to analyze, search, and dispose of threats

Additional Course Details

Nexus Humans Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI) training program is a workshop that presents an invigorating mix of sessions, lessons, and masterclasses meticulously crafted to propel your learning expedition forward.

This immersive bootcamp-style experience boasts interactive lectures, hands-on labs, and collaborative hackathons, all strategically designed to fortify fundamental concepts.

Guided by seasoned coaches, each session offers priceless insights and practical skills crucial for honing your expertise. Whether you're stepping into the realm of professional skills or a seasoned professional, this comprehensive course ensures you're equipped with the knowledge and prowess necessary for success.

While we feel this is the best course for the Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI) course and one of our Top 10 we encourage you to read the course outline to make sure it is the right content for you.

Additionally, private sessions, closed classes or dedicated events are available both live online and at our training centres in Dublin and London, as well as at your offices anywhere in the UK, Ireland or across EMEA.

Frequently Asked Questions

Q: What delivery options are available for Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI)?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
 - Traditional Instructor-Led Classroom Training (ILT)
 - On-site delivery at your offices anywhere in United Kingdom
 - Private dedicated courses customized for your team
-

Q: How many CPD hours does this course provide?

The 3-day Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI) course provides up to 19.5 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI) training?

The training takes place over 3 day(s), with each day lasting approximately 24.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI)?

Yes, we provide corporate training, dedicated training, and closed classes for Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI). Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: Why choose Nexus Human for Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI)?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPALS** when booking your Cisco Implementing Automation for Cisco Security Solutions v1.0 (SAUI) training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
