Course Overview

Effective communication is how employees and management interact to reach organizational goals. Getting this right results in a happier, more engaged workforce who get more done. Unfortunately, there are often significant barriers language, culture, distrust, distance to effective communication. The activities and discussions in this workshop will help you identify the essential elements of effective communications within your organization and develop communication strategies that harness both interpersonal and organizational awareness to build trust, strengthen collaboration, and increase productivity. Private classes on this topic are available. We can address your organization's issues, time constraints, and save you money, too. Contact us to find out how.

About This Course

Effective communication is how employees and management interact to reach organizational goals. Getting this right results in a happier, more engaged workforce who get more done. Unfortunately, there are often significant barriers language, culture, distrust, distance to effective communication.
