Learning Outcomes

Upon successful completion of this course, participants will be able to:

Enrolling in this course will help you better understand and leverage PeopleSoft Payroll for North America (USA) payroll requirements and processes. This knowledge will help you create, adjust and troubleshoot your organization's employee payroll.

Learn Off-Cycle Payroll Events

In addition to typical on-cycle payroll processing, Payroll for North America provides functionality for a variety of off-cycle payroll events and other payroll requirements. This course will illustrate how to reverse a paycheck, record a manual check, produce online checks and final checks and create a gross up check. In addition, you'll also learn the necessary steps to set up and process mid-period job changes and multiple jobs. Finally, you'll set up and processes benefit deductions and garnishments.
